OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 2nd April 1955

No. 10-Pres/55.—The President has been pleased to award the Police Medal for gallantry to the undermentioned officer of the Assam Police:—

Name of the officer and rank.—Shri Thanu Ram Bora, Havildar (officiating), Assam.

Statement of services for which the decoration has been awarded.—On receipt of information that a dangerous criminal was hiding in the house of Hussain Ali of Dulaigaon under Lahorighat Police Station in Nowgong district, the Officer Commanding the Police Station with some constables including Havildar Thanu Ram Bora, surrounded the house on 20th July, 1953 to arrest the criminal. Havildar Thanu Ram Bora was posted to guard the back of the house. When the Officer Commanding called out the owner of the house, the criminal

broke open the back wall of the house and came out with a dagger measuring 17 inches in length and tried to escape. Havildar Thanu Ram Bora chased him and caught hold of him in a thick jute cultivation nearby. During the scuffle that ensued the criminal inflicted several grievous injuries with the dagger on the forehead and hands of the Havildar and managed to get away, but in utter disregard of his own safety the Havildar again chased the criminal and caught hold of him within a little distance and snatched the dagger from him. Then the police party came to his help and took the criminal into custody. Subsequent enquiry revealed that a few days before when the Officer Commanding, Tezpur Police Station (Darrang district) attempted to arrest this criminal in connection with

heinous crimes including murder and robbery for which he was wanted, be attached the Officer Commanding with an axe causing him grievous injuries and then absconded to Nowgong district. Havildar Thanu Ram Bora exhibited courage and devotion to duty of a high order in utter disregard for his own safety.

2. This award is made for gallantry under rule 4(i) of the Rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule No. 5.

C. S. VENKATACHAR,
Secretary to the President.

MINISTRY OF FOOD AND AGRICULTURE**RESOLUTION***New Delhi, the 31st March 1955*

No. F. 14-4/54-T.W.I.—The Rajasthan Under Ground Water Board was set up under Government of India resolution No. F. 45-74/49-Policy, dated 6th December, 1949, in order to promote and conduct operations for exploring the ground water resources of Rajasthan and also for making preliminary utilisation of the water resources thus discovered for demonstrating irrigation

possibilities. The Board has been undertaking construction of new tube-wells and deepening of existing open wells at the request of private parties etc., and on advance payment basis. It has functioned for the last few years under the active guidance of the Ministry of Food and Agriculture and is now a regular running organisation with an income of its own. As the activities of the Board were intended mainly to benefit the scarcity areas of Rajasthan only, and as it is running on proper lines, the Government of India considered that the stage had come when the control of the Board should appropriately be taken over by the Government of Rajasthan. The Board accepted the proposed transfer in principle at its annual meeting held on the 14th March, 1954 and recommended that the transfer may be effected from the 1st April, 1955. On further consideration of the proposal, it has been decided with the concurrence of the Government of Rajasthan:—

- (a) that the Rajasthan Under Ground Water Board should be dissolved on 31st March, 1955;
- (b) that the Government of Rajasthan will set up an autonomous Board of its own with effect from 1-4-1955 for expeditiously developing the underground water resources of the State

with special reference to the Scarcity areas;

- (c) that all the assets and liabilities of the Rajasthan Under Ground Water Board as on 31-3-1955 including equipment worth about Rs. 4,18,000 and cash balance of about Rs. 2,50,000 will be taken over by the Rajasthan Government for transfer to the new Board;
- (d) that the existing equipment and air compressor with the State Government will be pooled with the Board equipment brought under commission and managed by the New Board;
- (e) that the Government of India's grant of Rs. 1 lakh per year will cease with effect from the financial year 1954-55 and that the State Government will make sufficient provision in their budget in order to expand the activities of the Board; and
- (f) that the equipment referred to in sub-para. (c) above will revert to the Government of India if and when new Board ceases to function.
